

FRED E. SAALFELD AWARD FOR OUTSTANDING LIFETIME ACHIEVEMENT IN SCIENCE

This award is to honor Dr. Fred E. Saalfeld, the Office of Naval Research Executive Director and Technical Director from 1993 – 2002. The award is designed to recognize extraordinary lifetime achievements in science that contributed substantially to the knowledge and capabilities of the Department of the Navy.

Nominees must be in one of the following categories:

Civilian employee in active employment status in the DON

A member of the military service on active duty

A grantee or contractor funded by the DON

Complete award criteria and nomination information is available from the NAVAIR Awards Administrator (301) 342-6862
